Wines

Our criteria when selecting wines for our list is to showcase the best wines from their sector. In terms of style, we look for wines of balance, wines that are true to type (representative of their origins) and wines that will compliment our style of food, whether that be a young and easily quaffable number or a special bottle from one of our small range of internationally renowned and artisan producers. Our simple goal is that all guests will find a wine that they will enjoy and remember. In terms of pricing our aim is to offer excellent value at each price point.

If you would like any recommendation, please ask us and we'll be happy to help.

House wines available from £13.95 Bottle / £3.95 Glass.

The Chichester Arms is a traditional 15th century thatched inn and has been the hub of village life in Bishop's Tawton since 1880AD.

Nobby's idea of pub food is not fussy gastronomy; It's proper "Man food" prepared and cooked here at The Chichester Arms by him and his small team. Chefs Rav, Paul & Charlie driving the kitchen forward with indulgent long lunches, teatime temptations, seasonal light bites and heart-warming suppers.

We make no apologies for serving foam on our beer & gravy on our roasts.

A warm welcome is extended to old friends and new.
